

Financial Analyst/Accountant-Remote

Carbon Solutions Group is seeking a Financial Analyst/Accountant. This is an opportunity to gain experience in the clean energy industry at a rapidly growing company. The role will work closely with all divisions of Carbon Solutions Group.

Financial Analyst/Accountant is responsible for managing the accounting process for all business units. Workflow includes managing quickbooks and the AR/AP process.

Carbon Solutions Group is a distributed decarbonization platform that was founded in Chicago Illinois in 2006, and consists of three business lines; Environmental Credit Aggregation, DirtRoad Electric Vehicle Charging, and Wholesale ESG services. CSG has a proprietary customer onboarding platform that has quickly onboarded 15,000 solar contracts in two years. The DirtRoad EV division currently has 500+ charging stations in development. Wholesale ESG has transacted 150 Million MWh's of environmental attributes since 2017.

Key Responsibilities:

- Reconcile all trading activity on a daily basis
- Produce position and P&L monthly reports
- Close Quickbooks on a monthly basis
- Strong Quickbooks and Excel skills required
- Manage annual audit requests and produce any additional information or scheduled required
- Manage AR/AP as required for the various business units
- Strong accounting and analytical skills required
- Trading or asset management experience recommended but not required

The ideal candidate has previous customer service experience, is hard-working, extremely organized, detail and process-oriented, resourceful, personable, and has the ability to multi-task in order to accomplish assignments in a timely manner. Problem-solving will be held in the highest esteem.

A successful candidate will possess the following skills and attributes:

- At least 3+ years of accounting experience
- Quickbooks and excel proficiency required
- Strong interest in the solar industry and decarbonization
- Prior experience in energy industry preferred
- Excellent verbal and written communication skills
- Problem-solving and troubleshooting
- Ability to adapt to changes in processes as directed from outside state and regulatory authorities
- Proficiency in Hubspot or similar CRM software advantageous
- Bachelor's degree in accounting preferred

Location & Hours: This is a full-time role and will be remote (USA).

Commitment & Compensation: Compensation will be commensurate with experience. In addition, Carbon Solutions Group provides health insurance, 401K, education benefits, paid vacation, federal holidays, and the opportunity to work in a fully remote environment.

To Apply: Please submit a resume, cover letter and salary requirements to careers@carbonsolutionsgroup.com.

Deadline: We hope to hire for these positions immediately.

Carbon Solutions Group is an equal-opportunity employer, and does not discriminate based on gender, race, ethnicity, orientation, creed, or other traits.

Job Type: Full-time
